Product Description

For dry and dreamy nights. Bambo is not only committed to providing comfortable, absorbent night pants for your child, but also to making the world a better place. Based on Nordic traditions for sustainability, we produce night pants through ecofriendly manufacturing processes, free of dangerous chemicals and perfumes to minimize the risk of allergy and rash. Dreamy Night Pants are designed to give you and your child a better nights sleep, whether your child sleeps at home or with friends. With Dreamy Night Pants you can rest assured that bedwetting will not stand in the way of a carefree and comfortable night. Our environmental commitments also extend to our diaper packaging, which consists of 30% post-consumer recycled plastic. The recycled materials originate from consumer household plastic waste, that is carefully cleaned and sorted by grade. The packaging should be recycled with other plastic waste.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. For more information, go to www.fsc.org.

Regulation (EU) 2017/745 is a regulation of the European Union on the clinical investigation and sale of medical devices for human use. It repeals Directive 93/42/EEC, which concerns medical devices, and Directive 90/385/EEC, which concerns active implantable medical devices, on 26 May 2021.

The CE mark guarantees that a product is safe to use and complies with all safety precautions. CE stands for Conformité Européenne (European Conformity) and is mainly found on electronic equipment, safety equipment, construction products, and medical devices.

Asthma Allergy Nordic is a proof of the product being recommended by the experts from Asthma-Allergy Nordic. Products with the label do not contain perfume, and they pose a minimal risk of skin allergy development.

The Dermatologically Tested symbol guarantees that products have been tested for potential skin irritations by an independent third-party laboratory.

The product is fully breathable making it more comfortable for a longer period of time, maintaining skin integrity.

Unique Top-Dry system that provides a rapid absorption and a dry surface even after repeated urination.

The product has a very soft surface for a more comfortable fit.

Flexible side panels for optimal fixation, easy application, snug and secure fit.

Special feature in incontinence products and baby diapers that help disperse fluid and keep the skin dry.
